Tuition rates and fees are set by Advisory Council policy and usually announced at the time of registration. In order to qualify for parishioner tuition rates for the 2009-2010 school year both parishes, Immaculate Conception Church or St. Mark Catholic Church, must be able to verify that a family is registered as a parishioner. The parishioner verification form will not be used by St. Mark Parish. A list of St. Mark families will be submitted to the St. Mark Parish office for parishioner status approval. A family must be a registered parishioner and have a current pledge card on file. Families of Immaculate Conception Parish must be able to verify at least \$500 for parish support in fiscal year July 1, 2008 - June 30, 2009. If this \$500 assessment has not been met by June 30, 2009, the non-parishioner tuition rate will be assessed. **Immaculate Conception parishioners must supply the parishioner verification form at registration, and if the \$500 assessment to Immaculate Conception Church is not met at that time, another form must be sent to the ICCS accounting office no later than July 1st.** **NOTE:** This \$500 assessment must go toward the general operation of Immaculate Conception parish, and it is not tax deductible. Money earmarked toward a special collection or capital campaign does not qualify.
