*******Eligibility:** Irene is in charge of notifying students about any eligibility issues. Please read the handbook for criteria for eligibility to participate in **EXTRA-CURRICULAR** activities (this means any competition outside the classroom, not just sports) Irene must be notified no later than 8 a.m. each Monday. Students are ineligible for that week of competition if they get their grades up. Grade cutoff is 3 p.m. each Friday. Ask Irene if you have questions.

Absence from Duty: Be sure you always file an Absence from Duty form with Evelyn if you plan to be gone, even if it means leaving early at 3 p.m. We need to know who is in the building, particularly until 3:45 p.m., as there are some days we need every person for dismissal and sometimes parents are looking for staff around that time for various reasons. Also remember: Let us know as soon as you know when you have a planned absence. Your planned absence must be pre-approved by the principal. There are times when it may not be approved due to staff shortages or other reasons. Thanks so much!
